

IEEE Workshop on Microgrid and Energy Communities

MEC 2025

Theme: Enabling Integrated, Resilient, and Sector-Coupled Local Energy Systems

Location: KTH Royal Institute of Technology Date: Oct 9-10, 2025

IEEE Workshop on Microgrids and Energy Communities (**MEC**) will bring together leading academic and industrial experts to address the latest innovations, regulatory frameworks, and deployment challenges. It features keynote talks, industry leaders' perspectives, and interactive discussions, providing a unique forum for shaping the future of integrated, resilient, and sector-coupled local energy systems.

Event link and registration: <https://isg-mec.org/>

Agenda

Day 0 – Oct 8, 2025

Visit **Arholma Microgrid**, hosted by Vattenfall

Day 1 – October 9, 2025

Theme: **Microgrids – Technologies and Grid Integration**

Morning Session

08:00–09:00 | **Registration**

09:00–09:15 | **Opening Remarks**

Welcome from IEEE PES/PELS Sweden Chapter, KTH Hosts – [Qianwen Xu](#), KTH, Sweden

09:15–10:45 | **Academic Keynotes**

[Claudio Cañizares](#), University of Waterloo, Canada “Microgrid Overview”

[Marija Ilić](#), MIT, USA “Dynamic Monitoring and Decision Systems (DyMonDS) for End-to-End Electricity Services”

10:45–11:00 | Coffee Break

11:00–12:20 | **Industry Leaders' Perspectives & Panel discussion**

Flexible and resilient grid with microgrids and energy communities

[Martin Flack](#), Deputy Head of Department, Resource Efficient Society, Swedish Energy Agency

[Fredrik Carlsson](#), R&D portfolio manager, Vattenfall

[Robert Heiliger](#), Head of Technology & Innovation, E.ON

[Cathrin Iden](#), Network Sales Manager Nordics, Milence

[Linnea Abrahamsson](#), Consultant Energy Strategic Advisory, WSP

12:30–13:30 | Lunch & Networking

Afternoon Session

13:30–15:00 | **Academic Keynotes**

[Yunwei Ryan Li](#), University of Alberta, Canada “AC/DC Microgrids: A Modern Solution for Grid Challenges in DERs, EVs, and AI Data Centers”

[Pedro Rodriguez](#), LIST, Luxembourg *TBC*

15:00–15:20 | Coffee Break

MEC 2025

15:20–16:30 | Industry Leaders' Perspectives & Panel discussion

Microgrid technology and grid integration

[Linda-maria Wadman](#), COO, Plexigrid

[Sonja Monica Berlijn](#), Business director, DNV

[Ritwik Majumder](#), Senior Principal Engineer, Epiroc

[Michell Sävenmark](#), Digital Power and Microgrid Manager, Schneider Electric

[Magnus Kuschel](#), Innovation lead, Innovatum Science Park

Interactive Session

16:30–17:30 | Networking and discussions

End of the day

Day 2 – October 10, 2025

Theme: Energy Communities – Governance, Digitalization & System Integration

Morning Session

09:00–10:30 | Academic Keynotes

[Johanna Lakso](#), CEO, Power Circle – Energy communities and the potential of flexible resources: A Swedish Perspective

[Chongqing Kang](#), Tsinghua University, China – Aggregating the Flexibility of Distributed Energy Resources: A Virtual Power Plant Perspective

10:30–10:50 | Coffee Break

10:50–12:00 | Industry Leaders' Perspectives

Smart buildings and energy communities

[Fredrik Lundström](#), Program manager, Swedish Energy Agency

[Pär Lundström](#), Senior Policy Advisor, The Swedish Installation Federation

[Jan Hellgren](#), Director of Innovation, Vinci Energies

[Niklas Sörensen](#), CEO, Locus Energy

[Monica Löf](#), R&D Programme Manager for Smart Energy Solutions, Vattenfall

12:00–13:30 | Lunch & Networking

Afternoon Session

13:30–15:30 | Academic Keynotes

[Vladimir Terzija](#), Newcastle University, UK – Smart Technology and Big Data Analytics for Data Centres and Energy Communities

[Hong Li](#), Zhejiang University, China – Microgrid deployment in China

[Qianwen Xu](#), KTH, Royal Institute of Technology – Adaptive integrated modular microgrid for sustainable communities

15:30–15:45 | Coffee Break

15:45–17:30 | Roadmap & Collaboration Session

Shaping the Future Together

• Joint White Paper • Future Events • Collaboration Platform
